

## Homeowner Benefits

Selling your home is a major life-event, and can create a lot of stress for you and your family. Working with your agent, scheduling and coordinating can be very time-consuming, and distract you from planning your move and other important activities.

*"Wow! I stay on top of my home's progress online or from my Instant email alerts, what a great service!"*

**Jill Moore, Home Seller, Dallas, TX**

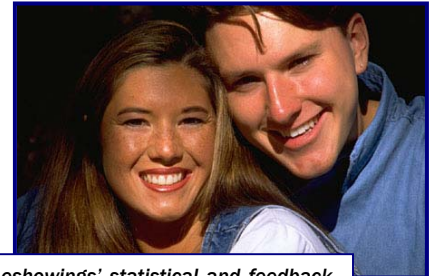

***How much time have you spent on tedious tasks as:***

-Coordinating with your agent on showing times and open houses?

-Communicating your own schedule to your agent?

When your agent uses **ehomeshowings**, the leading Internet real estate scheduling system, you'll spend less time on the phone, and have more time to prepare your house for sale. Update your schedule as needed to make sure showings are convenient for you. Buyer's agents can easily set up an appointment, which is instantly reflected on your schedule so you and your home are prepared.

Use **ehomeshowings'** exclusive showing statistic reports and Showing Agent feedback to make pricing and marketing decisions to sell your home fast!

*"ehomeshowings' statistical and feedback reports helped us make the right marketing decisions. We sold our home in record time!"*

**The Halls - Home Sellers - Dallas, TX**
